

## Travel Funding at Canadian Universities Bourses de voyage offertes par les universités canadiennes

SGS - School or Faculty of Graduate Studies / École ou Faculté des études supérieures  
 GSX - Graduate Student Union/Society / Association d'étudiants diplômés  
 Dep't - history department funding / aide provenant du département d'histoire

The following is a compilation of information by the GSC's reps over the past few months. MA/PHD refer to the number of full time students enrolled in the program in January 2002, and 'Funding' refers to the amount of travel funding available to history grad students for conferences. In most cases, the SGS offers a one time subsidy for all grad students to present a paper at an academic conference. Other possible sources of funding, however, include departmental funds, the graduate students union or society, or special endowments. Amounts vary, often depending on the costs incurred by the conference.

Les renseignements suivants ont été compilés par les représentants du CÉD au cours des derniers mois. MA/PHD réfère au nombre d'étudiants à temps plein inscrits à un programme en janvier 2002 et 'Funding' réfère à l'aide financière offerte aux étudiants diplômés en histoire qui doivent se déplacer pour une conférence. D'autres sources de financement sont disponibles par le biais des départements, des associations étudiantes ou de fondations. Les montants varient et dépendent le plus souvent des coûts associés à la conférence.
