BACK TO SCHOOL MEMBERSHIPS ENCOURAGED

Although most CHA memberships run from January to December, a resolution adopted at the October meeting of the CHA Executive will allow student memberships to start in September.

Until now, anyone joining the CHA in September would find a renewal notice in their mailbox two months later. All memberships expired December 31 (although anyone joining at anytime during the year did receive all the society's publications for that year).

The new policy will extend student memberships taken out between September and December 31 to include the following calendar year as well. Subscriptions to journals will, however, continue to be January to December; therefore anyone joining in September will be registered with the journals for the following January.
